

## 2021 Virtual iSAWT Program Tentative Schedule

\* Note: each professor will give 10-15 break in the middle of each class, depending on the class dynamics of that day. Therefore, the actual class ending time might be 10-15 min later than the time indicated below. In addition, certain classes might be shifted to other days depending on professors' spring semester schedules. A finalized schedule will be sent to students before the program starts.
