

Courses that limit the Number of Students (AY2021-SPRING)

(Updated: April. 3)

The following courses will only be open to students who were selected through a lottery or other kind of selection process. Students who wish to take these courses must follow the instructions indicated below.

There are two types of selection methods for Spring Semester 2021. You can check the selection results on "Course Registration" via keio.jp from April 6, 6:00pm(JST).

1) Automatic drawing system;

Students who wish to take these courses must register on "Course Registration" via keio.jp during the 1-st course registration period. If the number of registered students exceeds the capacity, the automatic drawing will be done after the 1-st course registration period.

2) Selection by the instructor;

Students who wish to take these courses must complete the online form by each deadline and also register for course via "Course Registration", permission from the instructor will be made after April 6, 6:00pm(JST). The deadline varies depending on the courses. Please refer to the information below.
