9. FAQ

Q. How and when should I pay rent?

A. In principle, the payment can be made by manual bank transfer or automatic bank transfer (Japanese bank account only). Credit card payment is NOT accepted.

More information will be provided in the housing orientation after you move in.

The first due date for the initial rent payment including the cleaning and maintenance fee (non-refundable) will be announced AFTER your residency begins. You do not have to pay the rent ahead of your residency or on the check-in.

Below is the rough estimate of the dormitory fee.

The amount will depend on which dormitory you are allocated and which day you enter the dorm.

For more details, please check the "Keio University Terms and Conditions of Use of Student Accommodation".

Cleaning and maintenance fee (non-refundable)		① JPY 20,000
Estimates of the check-in month's rent	Beginning of the month check-in	② JPY 50,000 ~ JPY 73,000
	Towards the end of the month check-in	③ JPY 20,000 ~ JPY 40,000
Monthly rent		④ JPY 63,500 ~ JPY 79,600

【Example】

If your check-in date is toward the end of the month, your first month's payment will include cleaning and maintenance fee (non-refundable) (①), prorated rent for check-in month (③) and a full monthly rent for the month after (④).

Q. Is it possible to send luggage to the dormitory before I move in?

A. No. We do not keep the luggage for you, so make sure to arrange your delivery after your arrival and receive them on your own. Your room number will be announced when you check in, so it is required to write your name and the dormitory address CLEARLY. We ask residents to set the delivery time as well because we do NOT keep your package in the dormitory.

Q. Can I change my allocated dormitory?

A. No. Your allocated room cannot be changed to any other dormitories. Please understand that not every applicant has been accepted according to one's preferences. Some applicants have not even been assigned to any of the dormitories.
