New students enrolling in April 2021 should write expected monthly income from April 2021. Students who have already been studying at Keio before April 2021 should write their average monthly income. Even if you were working full time, please write this in "Part-Time Job". All amounts must be given in Japanese yen.

If you live with your family in Japan, fill out the income and expenses that concern you only. The amount of financial support you receive for living costs, etc. should be included in "1."

Fill out expected monthly income from April 2021, if you are a new student (enrolled in Spring 2021) of Keio University.

Hours from part-time work during holidays or full-time jobs before enrollment are not required.

The amount of rent you are responsible for paying each month, including any common area and management fees.

Information about the tuition you already paid for and information about the tuition you will pay for from now must be described separately.
