Instructions on the Photograph for Online Submission

The photograph you submit will be printed on your Visa Document and Student ID card. You may submit a picture taken by a mobile device such as a mobile phone orcamera, however, **the picture should be taken by someone else. (No selfy is acceptable).**
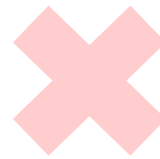

<ID Photo Requirements>
・ The image should be clear and in full color (no black and white images.)
・ The image must show a full front view of the subject's face and shoulders. No hats, photo filters, or distracting backgrounds are allowed.
・ Backgrounds should be a plain white, gray, or blue solid tone (no landscapes, curtains, etc.)
・ The image should not be edited or modified using photo software, apps, or other means.
・ The photo must be saved as a JPEG file (file extension: ".jpg").
・ The file size for the photo must be at least 100 KB but no larger than 5 MB.
・ The image should show you alone and not cropped from candid photographs.
・ The image should be clear and in full color (no black and white images.)
・ The image should have a dimension of 340 pixels by 453 pixels (aspect ratio 0.75).

[Example of an acceptable photograph]

[Example of unacceptable photograph] ❌

1. Not facing forward (face tilted away from camera, etc.)
2. Not plain background (scenery or distracting patterns)
3. Reflections (face partially obscured due to light reflections on the subject's face or glasses)
4. The image is out of focus
5. Eyes concealed by the subject's hair or bangs
6. Shadow obscuring the subject's face
7. Shadows in the background
8. The subject's eyes or neck are obscured due to wearing a scarf, sunglasses, or colored contacts.
9. The photo is zoomed in too close so that parts of the head are not shown.
10. The photo is zoomed out too far.
