

## Regarding quarantine facility for select international students

March 10, 2022

Based on “New measures for border enforcement (27)” and Keio University policy, students who wish to apply for new entry must stay at hotels arranged by the university after entry to Japan, regardless of their “home quarantine” status.

However, after confirming with diplomatic missions abroad, Immigration Bureau of Japan and Ministry of Health, Labour and Welfare, certain international students can quarantine at self-arranged hotels or homes (private room), under the conditions outlined below.

(Note: You are not permitted to quarantine at university dormitories.)

### **International students who can quarantine at self-arranged hotels or at their own homes (private room)**

① Those who have obtained a Certificate of Eligibility (COE) with "1584" in the upper right corner (Students who have visas with M27 in the “remarks” column at the bottom left of the visa are not eligible).

② Korean nationals who took a leave of absence due to military service and obtained a COE to return to study, or have been admitted into Japan under special circumstances

(Only for those who have a blank “remarks” column at the bottom left of the visa. Students who have visas with “M27” in the “remarks” column at the bottom left of the visa are not eligible).

### **Students who have “M27” listed in the “remarks” column at the bottom left of the issued visa must register on AMARYS**

<Future measures>

• Even if you are eligible according to the above conditions, if you wish to stay at a hotel arranged by the university, you must proceed with the registration procedure at AMARYS.

• If you are one of the above eligible students and wish to quarantine at a self-arranged hotel or at your own home (private room), please cancel your AMARYS registration. The rules regarding the cancellation fee are as follows. If you are subject to a cancellation fee, please contact JTB at keio.ryugaku@jtb.com and the Office of Student Services (International Exchange Services Group) at ic-zairyu@adst.keio.ac.jp as soon as possible.

Please attach the COE (for ① above), and an image of your visa (for ② above) when contacting us.
