## Course Contents/Objectives/Teaching Method/Intended Learning Outcome

This course is designed for both international and Japanese students who are interested in the cultures of sports, health, and longevity in Japan and other countries. We will learn different ways of thinking about what is important to enjoy sports, to achieve good health and longevity throughout the world. The ultimate goal of this course is for students to learn how to participate in and enjoy sports, in order to become healthy and increase longevity in their own lives and take good presentation skills.

The course will be provided not as a series of lectures, but as a student's presentation and peer-review based evaluations and suggestions. Students will actively participate in research works, presentations, and feedbacks for each other. The instructor will provide on demand each classmate's video files at class #3-7. You can join in these classes from all over the world. Students will have on site presentation at class #8-14. You can have face-to-face presentation and feedback each other. Please enjoy speaking about you and your home country to new friends, learning about different cultures, and discovering useful information from your classmates as much as possible.

## Lecturer's Comments to Students

The first class will be provided on Keio Canvas LMS on 2024.04.11 (Thu).

You need to make and have two presentations in this class. You will make and up-load your 1st presentation video files (mp4 file) about given topic onto the designated internet site (ex. Keio "Canvas LMS" System, Box or Google Drive, etc. using your "keio.jp" account) within a few weeks after class orientation (2024.04.11). And you will also have face-to-face presentation about the 2nd topic in the later class (after 2024.05.30). You need to watch and give short feedback to all of your friend's presentations .

Before attending this class, please prepare suitable devices (ex. PC or Smartphone) and skills to make and up-load your video files (around 10 mins) for your own presentation. Course plan will be re-arranged by the instructor as needed.
