

List of English-taught courses offered by Undergraduate Faculties/Graduate Schools *as of September 1, 2025

- Below is a list of English-taught courses offered by faculties and graduate schools that are available to KIP students. The information may be subject to change.
 - You may not be able to register for these courses due to some restrictions such as a prescreening or a lottery imposed by each Faculty/Graduate School.
 - **Make sure to check the syllabus for each course you wish to take for more detailed information.**
 - Academic Calendar may vary depending on the Faculty/Graduate School.
- https://www.students.keio.ac.jp/en/com/class/schedule/academic-calendar.html

*Study Level

Some courses offered by Graduate Schools are available for undergraduate students if the "Study Level" is indicated "Undergraduate".
If the "Study Level" is listed as Graduate School, the course is not available to undergraduate students.

◆Professional Career Programme (PCP) Courses offered by Faculty and Graduate Schools of Economics(Mita) are open to Short-term International Students (including Keio International Program students) & Japanese Language Program students.
